

Building Funds for

The Renovation of Buddha Jewel Monastery Turn the Dharma Wheel

Buddha Jewel Monastery’s renovation commenced in September 2020 and is expected to finish in 2022. The New Buddha Jewel Monastery will provide a serene and safe environment for all comers, a spiritual home of peace and enlightenment.

The Sutra says, “With one act of dana (giving), we will reap ten thousand-fold.” We invite all of you to support this effort and make a difference. Contributing to the building or remodeling of a monastery welcomes more people to learn from the Three Jewels; it benefits others and increases our merits at the same time.

Renovations include: a main lobby, meditation hall, lecture hall, dining hall, conference room, library, children’s room, etc. and will optimize all hardware to meet the current functional needs and code requirements such as high ceilings and comprehensive upgrades to mechanical, plumbing, and electrical systems and equipment. The resulting facility will be barrier-free, with the addition of an elevator and new landscaping. To give back to the community, Buddha Jewel also actively cooperates with the Shoreline City government on the street improvement project as well as environmental conservation, in line with altruistic principles supported by the Dharma teaching, “to benefit the self also benefits others.”

1 CATEGORY OF BUILDING FUNDS

1.1 BENEFACTOR

Benefactor	Offering	Benefactor	Offering
Main Founding Benefactor	Contact BJM	Magnificent Benefactor	6,000
Founding Benefactor	Contact BJM	Auspicious Benefactor	3,600
